2. meal allowance and hygiene flat rate

(I) In the day care centre, the children receive a range of meals based on scientific findings for age-appropriate nutrition. The costs of 80 Euros per month are to be borne by the parents. This includes breakfast, a warm, freshly prepared lunch suitable for children, an afternoon snack, the evening meal and drinks. For children who occupy an afternoon place (care from 1 pm), the lump sum for meals is reduced to 40 euros.

(II) For children who are breastfed or whose parents bring baby food or jars, no flat meal fee is charged. The same applies to children who have to be fed a special diet for health reasons if this diet cannot be provided at the facility.

(III) The children receive all care and hygiene products for age-appropriate care at the facility. The cost of 6 Euros per month is to be borne by the parents. This includes toothpaste, toothbrushes, soaps, wet wipes, disinfectants, nappy-changing utensils (except nappies), creams and sunscreen.

(IV) There is no reduction in the meal allowance and hygiene fee for siblings.

3. Collection and due date of the parental contribution, the meal subsidy and the hygiene fee

(I) The parental contribution, the meal subsidy and the hygiene flat rate are levied as a monthly contribution and are to be paid from the beginning of the month in which the child is admitted to the day care centre.

(II) The monthly fee is to be paid directly to the provider of the day care centre at the beginning of each month.

(III) The monthly fee is payable irrespective of the child's actual attendance and also for times when the day care centre is closed.

(IV) The parental contribution, the meal subsidy and the hygiene fee must be paid by the end of the month in which the child leaves the day care centre or by the end of the notice period, if this has not yet expired at the end of the care.
